

# Live Cigar Rolling Experience

## A Luxury Interactive Feature for Weddings & Private Events

**Offered exclusively by the region's only professional cigar roller**

### What It Is

A refined, interactive cigar experience where guests watch premium cigars being hand-rolled live on-site. This service blends craftsmanship, entertainment, and luxury — creating a memorable focal point during cocktail hour or evening reception.

### Why Planners Love It

- Seamless setup & breakdown
- Fully self-contained experience (we just need a table and trash receptacle)
- No guest bottlenecks (pre-rolled stock included)
- Elegant presentation suitable for upscale venues
- A unique feature few guests have experienced before

### Experience Packages
